Abstract

A Critical Study of Abi Al-abbas Al-fakar Al-razi's sadek alai; Book

***"Informing the Successors about those who Said of an Alteration in
Quran from the Predecessors"***

By:

Omar Saleh Issa Batayha

Praise to Allah , lord of all worlds, whom majesty inspired the light and best leading upon his messenger and worshiper to lead his good doers, who never made any shortage disorder or disadvantage and praise to Allah the great, the all mighty, who guaranteed to keep the Holy Quran. Also peace and blessing his honest messenger Mohammed whose god had inspired his heart the righteous (furqan) as a light and vast leading for the believers.

All scholars, Muslim scientists had indorsed a very long time

ago that this great holy Quran IS KEPT BY HIS MAJESTY Allah, THE EVIDENT AND THE PROVE THAT ALLAH SAID: ((WE INDEED INPIRED THE VERSES AND WE ARE INDEED TO KEP IT)), and that Gabriel the angle used to inspire the glorious prophet Mohammed averse and two by which the messenger gives orders to write them. While the Shiite those notorious rejecters of the truth state that this great Quran was fabricated and changed by some of the messenger's companions; and when those rejecters are faced by evident that proves other wise.

In this research and by god welling and support I'm undertaking the route and mission to reply to those Shiite liars and false fabricators, in which I pray to Allah to lead me the right route and way, and give me strength to unveil the truth in which most of the Shiite don't know, for they believe that this great holy Quran is fabricated, this glorious book by which we worship Allah through reading and applying every day. They also claim that the real one is hidden with (Al Mahdi) their own fabricated redeemer which they are waiting for, according to the twelfth imams Shiite sect.

This research will, god welling, unveil all these false fabrications included in the book of the Shiite author (Sadeq Alala'ee), with in the following cores:
