Abstract

Abandonment In The Holly Quran / A Subjective Study

Mohammad Bin Mirdhi Alasharari

Mu`tah University 2010

This study aimed to demonstrate abandonment in the holly Quran in a subjective study in which the researcher discusses the rules that relate to abandonment such as when a Muslim abandon his Muslim brother , and the abandonment of relatives , and the abandonment of the wife by her husband and the duration of this abandonment , and the status of people with abandoning the holly Quran and leaving it and the types of abandonment of the holly Quran , and also to demonstrate and explain the legal and forbidden abandonment , with demonstrating the story of the Three men who didn't go out for Aljihad and what lessons could be taken from it .

Also the researcher discusses the prophet Mohammad's dereliction **hijrah** from Mecca to Almadina and the benefited lessons of it , and the necessary need to descuss such topics which people need .
