ABSTRACT
Transitive Verbs That Have Come In More Than One
Form In The Holy Quran
(A collective and Explanatory Study)

Bandar Bin Saleem Bin Eed Al-sharary
Mu'tah University, 2010

The current study aimed to trace and collect the verbs that have transit for more than one form in the holy Quran, and explaining the unique meaning for the verb in its transiting from its meaning in another transiting, which may help the reader of the Holy Quran to observe the wisdom from the variance of the method of expression in Quran in the same Issue
